

ON3 is a creative lounge in Melbourne.
A home away from home for artists, built for
music, connection and culture.
A community and space to plug in, create,
and feel free.

WHY WE EXIST

We saw a gap and wanted to give back.
ON3 is built with integrity, a safe,
inspiring space where artists can land in
Melbourne, feel at home, tap-in and
create without the noise.
Our focus is community, passion, and real
culture.

COMMUNITY:

ON3 is about its people.

The space is centred around growth, we run sessions for creatives to
talk about their process and connect through activity, helping each
other drop into creative flow.

This is really our home for creativity and a cultural intersection for
artists moving in and out of Melbourne.
